

Agri'cultural' exchange: how four different cultural perspectives shape their respective and mutual agricultural scene

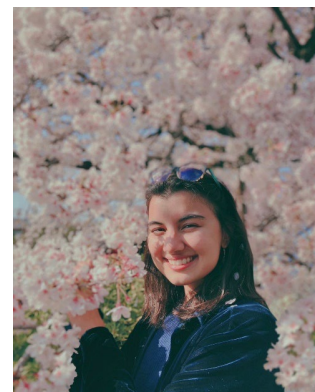

International Café Meeting is a casual event where international students talk about their home countries. Let's get to know food, agriculture, nature, culture, and history of countries around the world. Undergraduates students, graduate students, faculty & staff members, anyone is welcome!

ほっこりカフェは、留学生をスピーカーとしてお招きし、母国について紹介してもらうカジュアルなイベントです。世界中の国と地域の食べ物・農業から自然、文化、歴史まで、一緒に学びましょう。学部生、院生、教職員、どなたでもどうぞ！

Having roots and nationalities dispersed across the globe, I have been able to witness different social, economic, political and cultural scenes. Belgium, India, Iran and the USA could not differ from each other more. Yet there is one thing that connects these countries: food. These countries share some common agricultural history and the exchange of their local products has put forward the art of sharing. During this international café, I would like to introduce you to my countries, their current geosocial scene and how agriculture brings these countries and their people together. Snacks and drinks from these countries will be provided, join us for a moment of sharing!

世界の色々な場所にルーツと国籍を持つ私は、様々な社会的、経済的、政治的、そして文化的シーンを見てきました。ベルギー、インド、イラン、アメリカは全く違う国々ですが、「食」という点においてはつながりがあります。これら4つの国の農業史には似たところがあり、特産物のやり取りを通じて「分かち合い」の技術が生まれました。今回のほっこりカフェでは、私の4つの国と現在の社会情勢、それから農業がこれらの国々と人々をどのように結び付けているかについてお話しします。ご紹介する国のお菓子や飲み物もありますので、分かち合いのひとつを一緒にしましょう！

Speaker

Nina Barua

PhD Student

Lab. of Fermentation Physiology
and Applied Microbiology,
Division of Applied Life Sciences,
Graduate School of Agriculture

2 pm – 3:30 pm, Wed, July 3rd
